Excavation of Archeological Test Pits

Informal Minor Works Fabric

Minor Works Trees Faculty

Recommended Not Recommended No objections

Withdrawn

Faculty Issued?

Date Faculty Issued 19/04/2018

DAC Certificate Conditions: -

1. That details of the works are entered in the Log Book so that a record is kept of what has been done
2. That the archaeological contractor must be either a personal member of the IFA or employed by a 'registered organisation'

Case No:

1. To place five movable historical interpretative display boards in the box pews and choir benches in the Chancel
2. To attach to the North Aisle wall, a light box containing the restored roosters that were in the Vestry door
3. To attach three fixed oak historical interpretative display boards on the wall by the Organ and on the North Aisle wall above the new stone floor
4. To attach three fixed oak framed plaques acknowledging the craftsmen who worked at St. Mary's and the generous donors who made this possible: -
 - a) on the North Aisle side of the pillar by the Organ - a wooden rooster carving mounted on an oak back listing the workers from Midland Stonemasonry Ltd
 - b) in the new extension – an oak framed plaque acknowledging the funding organisations and local donors giving money for the extension
 - c) in the Porch - an oak framed plaque acknowledging the funding from the National Lottery Heritage Fund (to replace the existing Perspex plaque)
5. To rehang the Stations of the Cross pictures in new positions

DAC Certificate Conditions: -

1. That details of the works are entered in the Log Book so that a record is kept of what has been done
2. That, where possible, all fixings should be made into joints, not stonework, using stainless steel or non-ferrous screws in fibre plugs
