

Benefices invited into the Launde Area Minster Community cohort

Each of the Benefices below have been invited to pilot the process of forming a minster community.

Letters were sent to leaders and PCCs inviting them into the process in March 2022.

This is the first group to pilot this process of conversations exploring what their Minster Community might look like. The process of forming a Minster Community is anticipated to take between eight and twelve months. Neighbouring parishes were also informed and were invited to observe the process.

Gaulby Group of Parishes

Hallaton and Allextun with Horninghold, Tugby and East Norton, and Slawston
