

JOURNEY OF FAITH

I wanted to take a moment to share a bit about my faith journey with you

Growing up, I have always felt a deep connection to God and desire to strengthen our relationship. Through the years I have been blessed with supportive people who have guided me on this journey of faith.

And as of now, I have come to realize the importance of making my faith my own. Through prayers, reflection and study, I have felt the presence of God guiding and comforting me. The decision to be confirmed and baptized is a significant step for me. to make my commitment with God stronger and to fully embrace the responsibilities of living out my faith

I want to continue growing and genuinely serving him (God) in the years to come. I am happy to be in a community of Christlike individuals.

Blessings.

Andrew Uhegwu:

I would like to be confirmed in order to become closer to God and be fully accepted into the Christian community. It means a lot to me as I have been waiting for this moment for a long time. I believe that I am ready to commit to God and accept Jesus as my Lord and Saviour.

- Conformation is important to me because I am at the age where by I have experienced church, and parts of christianity but it is ~~not~~ now a time where I can make a decision myself to properly believe and trust in God, rather than following what my family ~~are~~ believe.
- conformation will put me on the correct path to a good christian life
- I will have discipline and a guide as to what is ~~right~~ right or wrong
- I will have much more respect for others as I will be devoted to live my life as a good christian.
- I want to be inspired to spread the word of the lord without shame

I have been Baptise because I like
to accepte Jesus as my personal lord
and saviour

now because I will like to be comited
to my faith

- I want to be ~~confirmed~~^{baptised} to accept God into my life
- I want to do this now because I have been struggling mentally recently & God has helped me throughout my struggles.
- My mum & sister has been accompanying me
- The thought of being Baptised makes me feel safe & comforted
