

# Focal Ministry

*rooted, visible, fruitful*

Focal Ministry is an emerging role in the Diocese of Leicester. Focal Ministers offer spiritual leadership to local churches or benefices through enabling prayer and worship, helping others to deepen their faith and guiding the local church to live out its unique calling to bless the community. Focal Ministers are those who are:

**Rooted** – those who are rooted in God and rooted in their local church and community

**Visible** – those who enable the church to engage with its neighbours and in loving service of the world

**Fruitful** – those who encourage others to grow in faith and to live out that faith in their daily lives

God is at work growing these local spiritual leaders and there are a number of people already fulfilling the role of Focal Minister. The Diocese is looking at ways to recognise, equip, and support them and others for this fruitful ministry in the local church.

If you or someone you know could be called to Focal Ministry, scan the QR code, or contact Liz Rawlings, Discipleship and Vocations Enabler:
