

May God's Kingdom Come in Leicester and Leicestershire

3 Key Questions for churches and ministers

How are you growing the number of disciples of Jesus?

How are you growing in depth of discipleship?

How are you growing in loving service of the world?

Why?

Each local church is part of the diocese and accountable to the Bishop – these are the questions the Bishop is asking in order to encourage us all in following Jesus Christ.

How?

Through prayer and listening, and in partnership with other churches, each church discerns its own approach.

Our 'holy habits' are a good starting point. Details can be found on the diocesan website: www.leicester.anglican.org

When?

This is the work of a lifetime! But the diocesan family of churches has discerned five strategic priorities for the next five years (to 2030) which express how we will support churches to answer these 3 Key Questions.
